

with any medical test it is important that other factors do not interfere with your test result. Please read and follow these instructions carefully.

You must use the yellow screw top container provided by your doctor or the IMVS.

Containers can be collected from any IMVS Collection Centre, locations are listed on the back of your IMVS Request Form.

Collecting the specimen

Time is important. Remember to add ~~A~~M or ~~P~~M when recording the time eg 7.45AM

When you get up in the morning:

1. Collect urine in a clean plastic container.
2. Pour it into the yellow screw top container, about 2/3~~s~~ full.
3. Discard the rest of the Urine.
4. Write these details on the container
 - a. Your *name*
 - b. *Date of birth*
 - c. *The time* of sample collection

Delivering the specimen

Deliver the specimen promptly to your nearest IMVS Collection Centre.

Your results

Your doctor will advise you when results are available.
